Frequently asked questions

How old does my child need to be? The preferred target age are students who would be in year 10 at school in 2020. It is encouraged that they work one year ahead of their usual school year level as it gives them an opportunity to do one less subject when they are in Year 12 or an opportunity to take up a different subject should they wish to maximise their ATAR score (Australian Tertiary Admissions Rank).

Is there an audition or any pre-requisites?

Stage 1 Dance (Year 11) Existing TIDC students can be recommended by a TIDC teacher. Non TIDC students must go through an audition process of presenting a 2-3-minute dance in any dance genre.

Stage 2 Dance (Year 12) Students must have successfully completed at least One Semester of Stage 1 (Year 11) Dance.

How much will it cost? \$450 per term for Year 11 and \$500 per term for Year 12

How do we know if it will run at TIDC in 2019? We need minimum 6 students to make it viable.

Which studio/days/times will it be held? Port Road Studio – 593 Port Road West Croydon, Saturday afternoons during the school term. The time has traditionally been from 2-5pm but this might vary slightly once the 2020 timetable is finalized.

What do I tell the school my child attends? You just need to notify the school's SACE Coordinator that they are studying the course so they are aware of it. TIDC will cover all of the SACE administrative work so that Dance will be recorded on their SACE Certificate.

What components does the course cover? The Stage 1 and 2 Dance program offers components in Dance Technique in a variety of genres, Choreography, Performance and Analysis.

Will my child miss any of their usual school days due to their involvement in this course? Often workshop and viewing performance opportunities arise that are too good to miss so it is recommend students take these opportunities but they are not compulsory. It will however be compulsory that students miss one day of school to rehearse for their performance that is worth 30% of their overall grade.

We are pleased to offer these classes to the community and appreciate you taking up this unique opportunity to study dance as a SACE subject. Please feel free to contact me on any of the options listed below to answer any queries.
